I feel you even though we're apart
And without you there's a hole in my heart
Oh, baby, baby, though I tried I just can't adjust
Oh boy, what happened to us, happened to us,
happened to us?

We were in love, we both felt the same
The good thing that we had boy was insane
We had a bond that would never break

Why we let it go?
Oh, we used to stay all night long kissing to our favorite
songs
Tell me where it all went wrong
That's what I got to know, oh, whoa, oh

'Cause I feel you even though we're apart
And without you there's a hole in my heart
Oh, baby, baby, though I tried I just can't adjust
Oh, boy, what happened to us, happened to us?

Thought that I could get over you
Oh, but baby, that is so far from true
Oh baby, baby, got something I want to discuss
Oh boy, what happened to us, happened to us,
happened to us?

I think that we ought to gotta work it out
Like air your love, I can't live without
So have mercy, don't leave me in doubt
I love still hurts
(Still burns, still burns)

I try to go my separate way
At first I thought it was okay
I miss you more with each day so to you I turn

'Cause I feel you even though we're apart
And without you there's a hole in my heart
Oh baby, baby, though I tried I just can't adjust
Oh boy, what happened to us, happened to us?

Thought that I could get over you, oh
But baby, that is so far from true
Oh baby, baby got something I want to discuss
Oh boy, what happened to us, happened to us,
happened to us?

I know that you saw me with someone else
But believe me I'm over myself
Oh, yeah, yeah

'Cause I feel you even though we're apart
And without you there's a hole in my heart
Oh baby, baby though I tried I just can't adjust
Oh boy, what happened to us, happened to us?

Thought that I could get over you, oh
But baby, that is so far from true
Oh baby, baby, got something I want to discuss
Oh boy, what happened to us, happened to us,
happened to us?
(Tell me, yeah)

'Cause I feel you even though we're apart
And without you there's a hole in my heart
Oh baby, baby though I tried I just can't adjust
Oh boy, what happened to us, happened to us?
(What happened to us?)
Oh boy, what happened to us, happened to us?
