Oh, why you look so sad? Tears are in your eyes  
Come on and come to me now.  
Don't be ashamed to cry, let me see you through  
Cause I've seen the dark side too.  
When the night falls on you, you don't know what to do,  
Nothing you confess could make me love you less  
I'll stand by you, I'll stand by you, won't let nobody hurt  
you,  
I'll stand by you.  
So, if you're mad get mad, don't hold it all inside,  
Come on and talk to me now.  
And hey, what you got to hide? I get angry too  
But I'm alot like you.  
When you're standing at the crossroads, don't know  
which path to choose,  
Let me come along, cause even if your wrong  
I'll stand by you, I'll stand by you, won't let nobody hurt  
you,  
I'll stand by you.  
Take me into your darkest hour, and I'll never desert  
you.  
I'll stand by you.  
And when, when the night falls on you baby, you're  
feeling all alone,  
You won't be on your own, I'll stand by you. I'll stand by  
you  
I'll stand by you, won't let nobody hurt you. I'll stand by  
you  
Take me in into your darkest hour and I'll never desert  
you  
I'll stand by you.
