I'm moving closer,
I'm moving slower
To the side of your face now,
And I speak your name out

What if I told you,
That I want to hold you close
Right on my shoulder,
And I won't let go of you

Give me a chance,
Let me romance you
Under the stars outside,
And into the dark
Give me your hand,
I want to romance you now
Here in my arms,
Where you belong

Look at me harder,
Look at me longer
'Cause you changed me inside,
Just with your blue eyes and

I can't believe this,
Is really happening now
You take me away and,
All I can say is

Chorus:

Give me a chance,
Let me romance you
Under the stars outside,
And into the dark
Give me a chance- TONIGHT

I want you in my life,
I want you by my side

Give me a chance,

Let me romance you
Under the stars outside,
And into the dark
Give me a chance,
Let me romance you
Here in my arms,
Where you belong

Give me your hands,
And let me romance you..
