Someone's knocking at the door  
Someone's knocking at the door

Can you hear Him knocking  
Can you hear Him knocking

He's been knocking very long  
He's been knocking for so long

Can you hear Him knocking  
Can you hear Him knocking

Jesus Jesus Jesus, is at the door [x2]

Someone's calling out your name  
Calling time and time again

Can you hear Him calling  
Can you hear Him calling

He's been calling very long  
He's been calling for so long

Can you hear Him calling  
He's been calling you

It's Jesus Jesus Jesus, is at the door [x2]

Don't let him walk away  
He's so patient but, don't take a chance  
All you need to do is open the door  
Let Him take his rightful place  
So He can change your world

Open up the door... [x18]
