Here the seasons don't exist, a summer held in hand.
Rest my locks now from our doors again.
Still I know we speak to not forget.

We were all so undone that we couldn't think of one.
My eyes won't seem to close, I don't want to see it go.
It's amazingly strange...

In the city's callowness, we've lost our innocence.
Cheek to cheek but my maps are changing.
Oh, don't forget...

We were all so undone that we couldn't think of one.
My eyes won't seem to close, I don't want to see it go.
It's amazingly strange how we all seem to change,

'Cause we were all so undone.

Shooting moons from the sea wall,
Rattle the ocean 'til it falls.
I don't know who you'll be.

We were all so undone that we couldn't think of one.
My eyes won't seem to close, I don't want to see it go.
It's amazingly strange how we all seem to change.
(Here the seasons don't exist, a summer held in hand.)
'Cause we were all so undone.
