If you were still around
You'd tell me I'm different
Since the last time you called me out
I'd put you down
I'd tell you it's a waste of time
To keep you by my side

If you were still around
I swear
We would sit and stare
We would be nowhere

And to this day
I look for what it's gonna take
To just let things be
Still today, I wonder is it
You or me who should feel guilty?
I'm pulling
I'm pushing
I'm putting it
Out of my mind
Thought that I had said
Goodbye

If you were still around
You would tell me that you're sorry
But you don't know what you're sorry about
I'd keep to myself
Keep you guessing
Make you question if it's ever gonna work itself out
If you were still around
I swear
We would sit and stare
We would be nowhere

And to this day
I look for what it's gonna take
To just let things be
Still today, I wonder is it
You or me who should feel guilty?
I'm pulling
I'm pushing

I'm putting it
Out of my mind
Thought that I had said
Goodbye

It still haunts me
Yeah, it still haunts me
Yeah, it still haunts me

And to this day
I look for what it's gonna take
To just let things be
And to this day, I wonder is it
You or me who should feel guilty?
I'm pulling
I'm pushing
I'm putting it
Out of my mind, yeah,
Thought that I had said
Goodbye
