"Fake Empire"

Stay out super late tonight
Picking apples, making pies
Put a little something in our lemonade and take it with
us
We're half-awake in a fake empire
We're half-awake in a fake empire

Tiptoe through our shiny city
with our diamond slippers on
do our gay ballet on ice
bluebirds on our shoulders
We're half-awake in a fake empire
We're half-awake in a fake empire

Turn the light out say goodnight
no thinking for a little while
lets not try to figure out everything at once
It's hard to keep track of you falling through the sky
We're half-awake in a fake empire
We're half-awake in a fake empire
