You have to do it running but you do everything that
they ask you to
cause you don't mind seeing yourself in a picture
as long as you look faraway, as long as you look
removed
showered and blue-blazered, fill yourself with quarters
showered and blue-blazered, fill yourself with quarters

You get mistaken for strangers by your own friends
when you pass them at night under the silvery, silvery
citibank lights
arm in arm in arm and eyes and eyes glazing under
oh you wouldn't want an angel watching over
surprise, surprise they wouldn't wanna watch
another uninnocent, elegant fall into the unmagnificent
lives of adults

Make up something to believe in your heart of hearts
so you have something to wear on your sleeve of
sleeves
so you swear you just saw a feathery woman
carry a blindfolded man through the trees
showered and blue-blazered, fill yourself with quarters
showered and blue-blazered, fill yourself with quarters

You get mistaken for strangers by your own friends
when you pass them at night under the silvery, silvery
citibank lights
arm in arm in arm and eyes and eyes glazing under
oh you wouldn't want an angel watching over
surprise, surprise they wouldn't wannna watch
another uninnocent, elegant fall into the unmagnificent
lives of adults

You get mistaken for strangers by your own friends
when you pass them at night under the silvery, silvery
citibank lights
arm in arm in arm and eyes and eyes glazing under
oh you wouldn't want an angel watching over
surprise, surprise they wouldn't wannna watch
another uninnocent, elegant fall into the unmagnificent

lives of adults
