We expected something, something better than before.
We expected something more
Do you really think you can just put it in a safe behind a
painting, lock it up and leave
Do you really think you can just put it in a safe behind a
painting, lock it up and leave
Walk away now and you're gonna start a war

Whatever went away I'll get it over again. I'll get money,
I'll get funny again
Whatever went away I'll get it over again. I'll get money,
I'll get funny again
Walk away now and you're gonna start a war

We expected something, something better than before.
We expected something more
We were always weird but I never had to hold you by
the edges like I do now
