We'll take ourselves out in the street  
And wear the blood in our cheeks  
Like red roses  
We'll go from car to sleeping car  
And whisper in their sleeping ears  
We were here, we were here  
We'll set off the geese of Beverly Road

Hey, love, we'll get away with it  
We'll run like we're awesome, totally genius  
Hey, love, we'll get away with it  
We'll run like we're awesome

We won't be disappointed  
We'll fight like girls for our place at the table  
Our room on the floor  
We'll set off the geese of Beverly Road

Hey, love, we'll get away with it  
We'll run like we're awesome, totally genius  
Hey, love, we'll get away with it  
We'll run like we're awesome

We're the heirs to the glimmering world

We're drunk and sparking, our legs are open  
Our hands are covered in cake  
But I swear we didn't have any  
I swear we didn't have any

Hey, love, we'll get away with it  
We'll run like we're awesome, totally genius  
Hey, love, we'll get away with it  
We'll run like we're awesome

We're the heirs to the glimmering world

Oh, come, come be my waitress and serve me tonight  
Serve me the sky tonight  
Oh, come, come be my waitress and serve me tonight  
serve me the sky with a big slice of lemon

We're the heirs to the glimmering world

Oh, come, come be my waitress and serve me tonight  
Serve me the sky tonight

Oh, come, come be my waitress and serve me tonight  
serve me the sky with a big slice of lemon
