Leave your home
Change your name
Live alone
Eat your cake

Vanderlyle crybaby, cry
All the borders are risin'
Still no surprisin' you
Vanderlyle crybaby, cry
Man, it's all been forgiven
Swan's are a swimmin'
I'll explain everything to the geeks

All the very best of us string ourselves up for the

Vanderlyle crybaby, cry
All the borders are risin'
Still no surprisin' you
Vanderlyle crybaby, cry
Man, it's all been forgiven
Swan's are a swimmin'
I'll explain everything to the geeks

Hangin' from chandeliers
Same small world
At your heels

All the very best of us string ourselves up for the

Vanderlyle crybaby, cry
All the borders are risin'
Still no surprisin' you
Vanderlyle crybaby, cry
Man, it's all been forgiven
Swans are a swimmin'
I'll explain everything to the geeks
