You're back in town again spreading talk around
That I'm still in love with you though you let me down
I hate to admit it but I guess the talk is true
Or else you couldn't make my heart ache the way you
do

CHORUS:

I've got a new heartache about an old sweetheart
That left me for somebody new
I've got a new heartache about an old sweetheart
And that's why I'm feeling so blue

Why did you turn up again I was doing fine
I'd found another sweetheart to drive you from my
mind
I thought that I'd forgotten you but I know that it's not
true
Or else you couldn't make my heart ache the way you
do

REPEAT CHORUS
