Don't you know that were the lucky one's
always laughing always having fun
but there's one thing they dont need
they can't wait in till the weekend
let's make plans the wait oh one
yeah yeah

I got the time and place
yeah yeah
cause it ain't so far away
everybody's is coming over
come on and put that record on yeah
put it up a little more cause your not dancing
so theres somthing wrong
put that record on

There's one way to get the feeling right
spend all my money on your tat tonight
so won't you put your fathers clothes off
and drink until its all gone
tie your dancing shoes, she's so tight
yeahh yeah

I got the time and place
yeah yeah
and it ain't so far away
everybody's is coming over
come on and put that record on yeah
we dont know that i can ask for but im so glad your
here to keep me on

(solo)

Cause you think your free
and theres no were left your needed

Cause you know that were the lucky ones
dont take your shoes off
and dont you think of leaving
theres no were left your needed ow
dont take those shoes off

you wont get no second chances
cause you need those for dancing
everybodys coming over

Come on and put that record on
oh yeah
put it up a little more cause your not dancing so theres
something wrong
put that record on yeah
cause you think your free
and there's no were left your needed
guess untill the morning comes were the lucky on
