Now that I've lost everything to you

You say you want to start something new

And it's breaking my heart you're leaving

Baby I'm grieving

But if you want to leave take good care

Hope you find a lot of nice things to wear

But then a lot of nice things turn bad

Out there

(Chorus)

Oh baby baby it's a wild world

It's hard to get by just upon a smile

Oh baby baby it's a wild world

I'll always remember you like a child girl

You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad girl

Don't be a bad girl

But if you want to leave take good care

Hope you find a lot of nice friends out there

Just remember there's a lot of bad air

Beware

(Chorus)

You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad girl

Don't be a bad girl

But if you want to leave take good care

Hope you find a lot of nice friends out there

Just remember there's a lot of bad air

Beware

(Chorus)
