Song By LATA MANGESHKAR

ham aah bhi bharate hain to ho jaate hain badnaam
vo qatl bhi karate hain to chach.ra nahin hota

aa a

matalab ki ye duniya hai yahaan kaun kisi ka hota hai
dhokha de dete hain vahi jin par ke bharosa hota hai

baag mein sair ko aaye the ek daag jigar mein leke
chale

ranginiyon mein bhuul gaye har phuul mein kaanta
hota hai

matalab ki ye duniya hai

behoshiyon mein dil kho baithe jab hosh aaya to ye
samajhe

aa aa a

behoshiyon mein dil kho baithe jab hosh aaya to ye
samajhe

sab jisako muhabbat kahate hain darasal vo dhokha
hota hai

khuun-e-jigar se baag ko sincha phuul khile to aag lagi
jal hi gayi ab saari duniya rone se ab kya hota hai
matalab ki ye duniya hai

matalab ki ye duniya hai yahaan kaun kisi ka hota hai
dhokha de dete hain vahi jin par ke bharosa hota hai
