Never made it as a lineman
I couldn't cut it as a Pittsburgh Stealer
Tired of losing all the time man
But sin keeps sending my defenses reeling
And this is how you rewind me

This is how you rewind me of when I'm really bad
This is how you rewind me of when I'm really bad

I'm not like you
I'm so sorry
The world's living on a distant glory
Each time I'm mistaken
Lord fix me you are not forsaken
And I've been wrong
I've been down
But through the battles and every struggle
These five words in my head
Scream but he isn't done yet
Yet... Yet... Yet... Oh no
Yet... Yet... Yet... Oh no

It's not like you didn't know better
I still don't want to do things I still do
It must have been Romans 7
Cause living in me is the sin that killed you

And this is how you rewind me of when I'm really bad
This is how you rewind me of when I'm really bad

So all I do is say I'm sorry
You're words waiting with forgiveness for me
It's time I... put faith in...
3:22 in Lamentations

And I've been wrong
You've been down
Turn the bottomless pits to potholes
These five words in my head
Scream but he isn't done yet

Yet... Yet... Yet... Oh no

Yet... Yet... Yet... Oh no
Yet... Yet... Yet... Oh no
Yet... Yet... Yet... Oh no

Never made it as a nice man
Hope I'm counted as a poor in spirit
And this is how you designed me
This is how you refined me
This is how you remind me of when I'm really bad
This is how you remind me of when I'm really bad
You block my sins
Isaiah 43
One in and your forgiveness floods me
This time I'm just begging
Lord can you cure my hearts frustration

And I've been wrong
I've been down
Soon my problems are getting smaller
These five words in my head
Scream but he isn't done yet

Yet... Yet... And Philippians 1 says
Yet... Yet... Oh he isn't done yet
Yet... Yet... Oh he isn't done yet
Yet... Yet...
