Go! It's a-1-2-3
Abraham said, "Come with me
Because it looks like time
For my little son to take a wife"
He said, "Go look and find him
A pretty one to make his wife
Now for Isaac
C'mon and get there quick
Now he don't need nobody here
Go look back where I wooed his mommy

Be back soon, a long way there,
Please go sweep in and get that girl!"

Well, I can't be Chuck Woolery
The Bachelorette's in another land, yeah!
I'm no Gene Rayburn; I should pray Before Isaac's
Elimidate, yeah!
I said, "Lord, who's gonna be Ike's girl?"

Well, I went toute de suite
Then my camels stopped to drink
Here comes a girl so fine
And she gives 'em water, ain't she nice
I said, she took some time
And she did just what I prayed she might
In 24 Genesis, I pondered this a bit
I put a nose ring upon her
And some bracelets and... Boo-yah!

I think that's who the Lord brought here
We shall see what Rebekah says:

"Now I can lead you home with me.
Bethuel is my father's name, yeah!
I know he may have much to say
Before I play your Dating Game!"
I said, "Are you gonna be Ike's girl?"

Now I don't need Eharmony;
Bethuel gave his daughter's hand, yeah!
Ike loves Rebekah - what a babe --

He's 40 years old anyway, yeah!
But she's Ike's girl, she's Ike's girl
R-E-Bekah, she's Ike's girl, yeah
