Back intact, yes, it's a fact
And not a bone was fractured or cracked
Yes, sir, spread the news, it's Gospel truth
Nail-scarred feet, hands are the proof
And a spear went in My side, come and check with your
eyes
I kept the scars, now I'll never die, I got Sonrised,
baptized
Keepin' every bone like David prophesied
'Cause I'm back, yes, I'm back, well, I'm back, yes, I'm
back
Well, I'm ba-a-a-ack, ba-a-a-ack
Well, I'm back intact, yes, I'm back intact
Oh, back as a man, I'm alive again
Not a ghost, I can prove I'm not a charlatan
Yes, I'm in the flesh, here's a test
You guys can watch Me eat a couple of fish
'Cause I'm back off the rack, where I was beaten and
smacked
Nobody's gonna get me now I'm over that
Take a look at the Psalms; they predicted my fate
Psalm 34, verse 20, said I'll never break
'Cause I'm back, yes, I'm back, well, I'm back, yes, I'm
back
Well, I'm ba-a-a-ack, ba-a-a-ack
Well, I'm back intact, yes, I'm back intact
Out of the black!

Psalm 34:20

"he protects all his bones, not one of them will be
broken.
