In all of my youth
I screwed up and goofed
And ruined my life, I declare
The past was a joke
And I'd gone so low
God was the last one
I thought would be there

I was sort of surprised
What appeared in the Bible
When I took a look at that page
Cause Acts chapter 2:21 says
"Jesus rescues whosoever calls on his name"

CHORUS

Cause my God bends
Down to low places
And he's with me now
And I feel safe
Cause my dues are paid
And I'll be okay
And my God's big on total grace
Cause if we slip and fall,
He'll go to save us
My God bends to low places

I did stuff that's wrong
I messed up so long
Then God bent near the floor
Ever since that night
I've put my faith in Christ
And now my hope is assured
I didn't need a washing machine
To give myself a shower and rinse
I will rely on His God-given power
To forgive my sins

CHORUS

Cause my God bends
Down to low places
And he's with me now
And I feel safe

Cause my dues are paid
And I'll be okay
And my God's big on total grace
Cause if we slip and fall,
He'll go to save us
My God bends to low places

CHORUS

My God bends
Down to low places
And he's with me now
And I feel safe
Cause my dues are paid
And I'll be okay
And my God's big on total grace
Cause if we slip and fall,
He'll go to save us
My God bends to low places
Cause my God bends to low places
My God bends to loooooooow...
[Boom] places
