When all the lambs are sound asleep  
We keep 'em safe through the night  
But there's a new star that we've seen  
One that looks really bright  
Here He comes, they said  
Yeah, there's angels in the starry skies, oh  
You'll think we flipped  
Here He comes, they said  
Yeah, there's angels in the starry skies, oh  
Looks kind of like some spaceyships  
He's in Bethlehem  
He's in Bethlehem  
He's in Bethlehem ahem, ahem!  
You can see Christ!  
You gotta look in your Book  
If you check Mi-cah  
You'll see why Micah said  
There's something happenin' above  
Here He comes, they said  
Yeah, there's angels in the starry skies, oh  
I'll make the trip  
Here He comes, they said  
Yeah, there's angels in the starry skies  
And kinda like the way that Micah said, they said,  
Yes, He's in Bethlehem, boys  
He's a Bethlehem boy, ahoy, ahoy!  
There you can see Christ!  
He's so nice!  
When all the lambs are sound asleep  
We keep 'em safe through the night  
And there's a newborn that we've seen  
Talkin' 'bout Jesus Christ  
Here He comes, they said  
Yeah, there's angels in the starry skies, oh  
Go take the trip  
Here He comes, they said  
Yeah, there's angels in the starry skies  
And kinda like the way that Micah said, they said,  
He's in Bethlehem  
He's in Bethlehem  
He's in Bethlehem ahem, ahem!  
That's where you can see Christ! He so nice!

In Bethlehem, friends, you can see Christ (REPEAT)

Luke 2:15

When the angels had left them and gone into heaven,  
the shepherds said to one another, "Let's go to  
Bethlehem and see this thing that has happened, which  
the Lord has told us about."
