Yes, the Lord is coming
Straight out of the skyway
Looking for repentance
Whosoever calls his name

Yeah, God's a-gonna make it happen
Take the world at a slippin' pace
Find all of the ones who won't sin
Export 'em to space

Like a stroke of lightning
Every man that's on Earth
Will see him again
Are you ready? Now I wonder

Yeah, God's a-gonna make it happen
Shake the world of it's stubborn ways
Find all his sons at once and
Send 'em home to his place

And if you use faith just now
You'll be born, born-again child
You can fly so high
You're never gonna die

Born-again child
Born-again child

Yes, the Lord is coming
Get out of your wild ways
Look in Romans 10 first
Do wahtever stuff it says

Yeah, God's a-gonna make it happen
Save the world with His love and grace
Find out what He wants from us and
Just grow in your faith

With the new nature now
Yeah, you're born, born-again child
You can fly so high
You're never gonna die

Born-again child
Born-again child
