"The holy inquisition finds you guilty of herecy, and  
you  
And your decendants must be cleansed in blood

The holy inquisition"

I see the sinners suffering.I hear them screaming and I  
watch them burn and die.It ain't looking good but  
nevermind  
Cause now they fade away.

The inquisition has done it's job.  
The deads fuel system blowing in the wind.  
Their hearts were black and full of sin  
And now they fade away.

"Dear God bring me to wisdom, please  
To locate the case of your mind, search the depths of  
your soul"
