I took a walk around the world to see your promise sign
I left my buddies laughin' somewhere in the sand
behind
I watched the world look to the dark light of the moon
I see another light in few....yeah
I walked the world, looked to the stars, light up the
moon
After all I knew it had to be somethin' ta do with you
I really don't mind not havin' my old friends
As long as you'll meet me in Bethlehem

If I'm a crazy man
will you still call me through the sand
If I'm a wise man, well then
you prepare the gold in my hand
I'll keep your light in sight
in my search for you
it's like Christmasnite

You called me strongly from the east
but still Lord Jesus, I'm no king
You took this planet by suprise
whenever you came down
you stunned all them in Bethlehem
I caught your beacon to these men
I picked it up and took my map and started out

If I'm a crazy man
will you still call me through the sand
If I'm a wise man, well then
you prepare the gold in my hand
I'll keep your light in sight
in my search for you
it's like Christmasnite

If I'm a crazy man
will you still call me through the sand
If I'm a wise man, well then
you prepare the gold in my hand
I'll keep your light in sight
in my search for you
it's like Christmasnite..yeah

If I'm a crazy man
will you still call me through the sand
If I'm a wise man, well then
you prepare the gold in my hand
I'll keep your light in sight
in my search for you
it's like Christmasnite
