You know life can be found in the Lord alone  
But pagan gods abound Â– at least they'll tell you so  
Don't be fooled Â– choose the God that's true  
Baby, in the 10 commands, it's number on the list  
Exodus chapter 20 Â– verse 3 you know what it says?  
Don't be fooled Â– choose the God that's true  
'Cause there are no other gods  
Baby, just the True One and the frauds  
Those gods are pagan phonies Â– they don't make me  
feel afraid  
'Cause I know Jesus loves me Â– and I know there's one  
true way  
Don't be fooled Â– choose the God that's true  
Why don't you play it smart  
He really loves you baby Â– open your heart  
So let's look up First Corinthians Â– in chapter 8:5, 6  
And 10:19 and 20 Â– and I hope that something clicks  
Don't be fooled Â– choose the God that's true  
'Cause there are no other gods  
Baby, just the True One and the frauds  
Don't be fooled Â– choose the God that's true  
Don't be fooled Â– choose the God that's true  
'Cause there are no other gods  
Baby, just the True One and the frauds
