"Fade To Black"

Visit "[Fade To Black](#)" on MotoLyrics.com

Life it seems will fade away
Drifting further every day
Getting lost within myself
Nothing matters to no one else
I have lost the will to live
Simply nothing more to give
There is nothing more for me
I need the end to set me free

No one but me can save myself but it's too late
Now I can't think, think why I should even try
Yesterday seems as though it never existed
Death greets me warm, now I will just say goodbye

Things are not what they used to be
I'm missing one inside of me
Deathly lost, it can't be real
I cannot stand this Hell I feel
Emptiness is filling me
To the point of agony
Growing darkness taking dawn
I was me but now he's gone
