We tried - all night - no dice - couldn't get a bite  
We tried - all night - no dice - couldn't get a bite  
We came in this mornin' when I met Jesus Christ  
Tryin', tryin', tryin' to get a bite  
Where've you been at Simon?  
I've been fishin' half the night  
Tryin', tryin', tryin' to get a bite  
He said, would you try  
If I showed you how to find 'em  
Would you take a ride - if I get inside?  
He sure proved right  
'Cause our boats almost capsized  
From all the fish we fried - when our net had dried  
Lived my life in Galilee - Capernaum is my town  
Tryin', tryin', tryin' to get a bite  
Says that He wants me to fish for men  
But I just don't know how  
Tryin', tryin', tryin' to get a bite  
He said, would you try  
If I showed you how to find 'em  
With a bait that's right? Would you get excited?  
And would you try  
If I called you my disciple  
Would you preach for Christ? Could you get a bite?  
LEAD  
I've been doing His works now  
While He's been doin' mine  
Tryin', tryin', tryin' to get a bite  
And would you cry  
If I told you that He died  
And that He gave His life? Would I get a bite?  
And would you try  
If I told you how to find Him  
Would you take advice?  
Would you let Him inside? (3X)  
Would you let Him inside? (ah ha)  
Would you let Him inside?  
DRUMS  
Try, try, try to get a bite (9X)  
Would you let Him inside (4X)

Luke 5:10b

Then Jesus said to Simon, "Don't be afraid; from now on you will catch men."
