Baby, baby, let's get the Shepherd
Honey, honey, He's seeking you
In Luke 15, ah, do ya think that we'd lie to you?

Are you a little lamb? Maybe a little lost?
Get found tonight! Get found tonight!
You a little lamb? Maybe a little lost?
Get found tonight! Get found tonight!

Babe, babe, He'll meet you
Name the place, name the time
When sheep have left the pasture
He'll leave the 99

Are you a little lamb? Maybe a little lost?
Get found tonight! Get found tonight!
You a little lamb? Maybe a little lost?
Get found tonight! Get found tonight!

Are you a little lamb? Maybe a little lost?
Get found tonight! Get found tonight!

Get found, get found, get found, get found get found,
tonight, baby
Get found, get found, get found, get found get found,
tonight, baby....

Matthew 18, uh huh, I like it
Sheep, sheep, sheep -- Shepherd's looking, Shepherd's
looking
Are you looking, man, are you looking, man, turn to
God
Are you looking, man, are you looking, man, you must
be lost!
Sheep, He's coming now, Sheep, He's coming now
He'll stop at nothing, stop at nothing, stop at....
Sheep, don't go!
