Standing with lions beneath the floor tonight  
And there's a lion-here we go  
Right away I try to pray, I kneel there, waiting, Lord  
"Daniel don't go and pray," they said to me  
They made a mockery of you, Lord

Save life! Claws sharp! C'mon God! Move quick!

This cat thinks I'm such a little beefcake  
Get here quick I think I'm on the meat tray  
Point and click to make your bid on eBay  
Teach that king that's not the way that we pray

Don't allow! Blood bath! In cave! Stop them!

Standing with lions beneath the floor tonight  
And there's a lion-help me, Lord  
Guide the way, when lions prey, they feed there, tame  
Him, Lord!

Meow (x16)

Bad cat! Don't sic! Paws off! Open!

Kit cat's nice but, no, don't want to hold one  
Not gonna strike but I'm a not-so-bold one  
Might not bit, I know, you never know but  
God I like this story though it's no fun

Stop there! Mean lion! Get back! Hard stop!

Standing with lions I see them show their whites  
And there's a lion-every hole  
Find a way, my life's at stake I see their great big jaws  
"Daniel, don't go and pray," they said to me  
Beneath them I'll be on the floor  
By the way, I find it strange I'll be here praying more

Ooh ah, kittens better listen  
Ooh ah, kittens can't resist Him  
Ooh ah, kittens kept their distance  
Ooh ah, kittens never bit me

Ooh ah, kittens lost their mittens  
Ooh, I guess I'm not a victim  
Ooh, I'm gettin' out of prison--Hoo hah!

Daniel 6:19 stayed here overnight  
And there's a light on-early show  
By the way, it's light of day, I see that breaking dawn  
"Daniel," the Persian king he calls to me  
And he's remarking, "Oh poor soul"  
By an angel I was saved, I know You love me Lord

Standing with lions I've seen You show Your might  
That I relied on to get me home  
Right away I cried, You saved, I beat them, Thank You,  
Lord
