Hell! I read about it  
Hell! Lots of people doubt it  
Hell! They'd better read some more  
Hell!  
When I was younger so much dumber than today  
I never even read the Bible - Hell seemed far away  
But I found the way to God and it's got a narrow door  
But many find the way that's wide  
And drop right through the floor  
Hell is in the Bible many times  
And I do not think it's just a state of mind  
Hell will catch most people by surprise  
Don't you see? Hell's real!  
And now my life has changed and only by His grace  
My sin dependence would have banished me to Hades  
But every fire and brimstone preacher you ignore  
Is only tryin' to save your life  
From everlasting scorn  
Tell me if you can why Jesus died  
If it's true that we're all basically all right  
Tell me why you feel that guilt inside  
Don't you see? Hell's real!  
When I was younger so much dumber than today  
I didn't need no busybodies tellin' me I needed saved  
But I found my way was wrong now I'm knockin' on your  
door  
So while there's time you'll change your mind  
And call upon the Lord  
Hell is in the Bible many times  
It's Luke 16 and Matthew 25  
John verse 3:19 will tell you why  
Don't you see? Hell's real!  
Hell's real, Hell's real!

Matthew 25:41

"Then he will say to those on his left, 'Depart from me, you who are cursed, into the eternal fire prepared for the devil and his angels.'"
