Risin' up that's what He said  
It's my time let's commence this  
In 3 days I will be back from the dead  
There's a plan to fulfill in the line  
So many times He talked in the past  
About His passion and His glory  
Just like the grain used for weed has to die  
It must die so the wheat can arise

He said  
I have to die first to fulfill all the signs  
Risin' up through the power of my Father  
At last when the hour has come you'll know I was right  
And I warned you before this day I'd  
Have to die first

Facing death in Gethsemane  
Sweatin' blood feelin' lonely  
He prayed to God, "You can take this from me  
If you will", but He still had to die

He said  
I have to die first in this terrible fight  
Risin' up through the power of my father  
And the last lonely hours I've been prayin' tonight  
And I want you to know this day I'd  
Have to die first

Risin' up hate-filled mob  
Took our Lord up to Calvary  
Read His sentence and was nailed to the cross  
But the man that they killed is alive

He said  
I have to die first it's a strange way to fight  
Risin' up through the power of my father

In the last hour I rise and put the devil to flight  
And I warned you before this day I'd  
Have to die first

But I have to die first (x 6)
