When I bake stuff with the dough I'm gonna knead  
I'm gonna be the man who makes some bread for you  
When I go out in a boat up on the sea  
I'm gonna need a net and row a long way too  
If I catch some fish that float under the deep  
I'm gonna be the man who gets some fish for you  
And if there's flavor, yeah, I know I'm gonna eat  
I'm gonna eat some and I'll save the rest for you  
And I have watched five hungry mouths  
And I have watched five more  
And I've seen a man who fed 5000 mouths at once  
And that's the Lord  
Well, I watched Him, yes, I know what I have seen  
He was a teacher man who taught the whole day  
through  
With so many comin' forth to watch that dude  
It would cost someone every penny just for food  
Send 'em all home, Lord, you know they gotta eat  
They told the teacher man, who said, That's up to you  
And with five loaves and two fish from Galilee  
I'm gonna feed 'em and they're goin' home renewed  
CHORUS  
Have another (Have another) Pass the Butter (Pass the  
Butter)  
Ya da da dum de de dum da dum de de dum da da  
Have some water (have some water) Pass the butter  
(pass the butter)  
Ya da da dum de de dum da dum de de dum da da  
Well I'm only telling only what I've seen  
But when the teacher man was done they sent out food  
And men were eating, yeah, I know they got a treat  
They got a treat about the size of Timbuktu  
Well, I've not doubt that in Luke 9:17  
You're gonna read it and supposed the number's  
skewed  
But in the front row, don't you know I had a seat  
I saw at least 12 baskets of leftover food  
... I got a B in math, so, son, I know... It's true  
CHORUS  
Had a tough crowd (had a tough crowd)  
Fattened up now (fattened up now)  
Grab a rough count (grab a rough count)

Add 'em up now (Add 'em up now)  
Ya da da dum de de dum da dum de de dum da da  
Gather up now (gather up now)  
Every crust now (every crust now)  
Ya da da dum de de dum da dum de de dum da da  
Gavin McLeod (Gavin McLeod)  
From The Love Boat (From the Love Boat)  
Yeah I know that line's kind of dumb my mind's kind of  
numb right now  
CHORUS
