Should've seen this coming
Should've known this
Shouldn't have let it happen
My mistake alright
Stuck again
Doing my thing
Too alike yet far apart
What felt so good once
Is breaking me
And tearing us apart again

Don't you see
We're in this together
You and me
One on one forever

Don't you see
We're in this together
You and me
One on one forever

I know it's self inflicted
We're way to desperate
Way too addicted
But I can't help the way I feel
I know it's time to be strong
Now when all hope is gone
And when what felt so good once
Is breaking me
And tearing us apart again

Don't you see
We're in this together
You and me
One on one forever

Don't you see
We're in this together
You and me
One on one forever

And in your troubled eyes I see
Someone who carried me somehow
Like footprints in the sand
You've been behind me all along
We got it wrong from the start
Now it's you and me let's hit it on
Don't you see it's you and me
Against the world

'cause we're in this together
You and me
One on one forever

Don't you see
We're in this together
You and me
One on one forever
