Oh, Mama, I've been cleared of my crimes and I'm not under the law

Law has been put an end to by Someone that is so far above it all

Oh, Mama, I can hear you a-sighin', you're so scared it's all a joke

Examine Romans 10 for a while and then you'll know I can't be wrong

The Jesus love I knew about has finally found me

Made lemonade from my mistakes -- the sweet from the soury

10 verse 4 in Romans says -- disobedience ends with faith

In the Son of Man

Oh, Mama, I've believed on the Lamb of God, the High Priest of My Faith

God says that He's forever alive now so it's for sure He'll keep me saved

Dear Mama, back in Hebrews you will find it, in verse 7:24

Amen, I'm comin' out from the shadows and I don't have scary thoughts

They've taken off the noose around me -- I will be found clean

The reservations had been made with Jesus on Calvary

Everyone has gone astray, but you can repent today If you want it man

Oh, Mama, I've been cleared of my crimes and I'm not under the law

Amen, I'm comin' out from the shadows and I don't have scary thoughts

Hey, check this out, removed from the doubts, the Bible astounds me

I read Galatians chapter 3:24 and zowie!

Twenty-four and -five explain, disobedience ends with grace

If you want it, man -- You want it, man?
