It's sorta hard to understand, but it's totally awesome  
And it's eternally finished  
Who wrote it up? It was John the Apostle  
Aand the Lord said it won't diminish  
He had fantastic revelations of the future news  
Sent here from Jesus, sent here for you  
When he saw Jesus comin', John fell down as dead  
He told him, Grab your tablet and write this down  
instead  
Life in the last days -- sure to make you lose your mind  
Life in the last days -- yeah, heh

He saw four horsemen, holding the reins  
Of colorful stallions, who brought different things  
He who rode the white conquered, and the red one  
brought war  
And the black one brought famine; then pale horse  
number four  
There was death in the saddle, ridin' out through space  
He had Hades right behind him, killed a fourth of the  
human race  
All of the people, were trying to hide  
When the earth started shakin' and the moon turned to  
blood -- the sun was  
Black in the last days -- sure to make you lose your  
mind  
Life in the last days -- yeah, heh  
Life in the last days -- everything prophesied  
Life in the last days -- yeah, heh

So much to tell you; I've got one verse. Man didn't heed  
the stop signs  
And the earth got worse and worse  
If you're a Christian, baby, you don't need to fear a  
thing  
If you're not, go read the Bible 'cause there's more  
than I can sing  
There's a false messiah, the people will think he's  
Christ  
The world will take his number, but they'll have to pay  
his price

They'll look up and they'll see Jesus and they'll know  
that they've lost  
He won the war when He was dyin' on the cross and it  
was  
Life in the last days -- sure to make you lose your mind  
Life in the last days -- yeah, heh  
Life in the last days -- everything prophesied  
Life in the last days -- yeah, heh

Revelation 1:1

The revelation of Jesus Christ, which God gave him to  
show his servants  
What must soon take place. He made it known by  
sending his angel to his  
Servant John...
