Adam and Eve were wearin' leaves
Seekin' to hide because they bought the lie
Tightened their belts, excused themselves
God said, Away! I'll put you somewhere else
I'm gonna make another way
You're gonna go but then I'll see you again
You'll have it rough, I've said enough
Someday you'll see

God knew right from the beginning
That you would end up sinning
He knew right from the start
The human error in our hearts
Lost and found -- we're lost-a but He just seeks and
finds
Lost and found -- when God's around, grace abounds
I'll tell you why

Lookin' at Luke, chapter 19

Verse 10 it shows, you know, that Jesus said He
Would seek and find the lost of mankind
'Cause God ordained
It in the fullness of time
Like Romans shows if you will check
Chapter 5 verse 10 His grace it thrives
When bad stuff is addin' up
God's grace excels
CHORUS

Adam and Eve were wearin' leaves
Seekin' to hide because they bought the lie
Tightened their belts, excused themselves
God made a way -- but sendin' Someone else
Lost and found...

Luke 19:10

For the Son of Man came to seek and to save what was
lost."
