I hooked up this morning with the Son of God  
It turned out He knew me and called my name  
"You're lost," He said, "but I can heal your soul."  
And now my eyes see a different way

It's more than a healing (More than a healing)  
Yes, the Lord's something more than a healer  
And I think He's really (More than a healing)  
Everything I'll ever want  
I see my friends and they're walkin' away

So many things that I'd done were wrong  
My faith was faded, my tears run dry  
But God still recalled when I was so young  
The prayer I'd begun when I was a child  
CHORUS

Man, I'm tired of sinkin' low  
I've had it with useless regret-filled days  
I'm leavin' the world I used to know  
'Cause now my eyes see a different way  
A different way  
CHORUS

Ephesians 1:18  
I pray also that the eyes of your heart may be  
enlightened in order that you may know the hope to  
which he has called you, the riches of his glorious  
inheritance in the saints...
