There's a way Jesus showed
All the sinners must go
And He called it the narrow way to Heaven
If to get there's your goal
With the pure heart and soul
In His Word you can get what you came for
Ooh-oooh-oooh-oooh
Ooh-oooh-oooh-oooh-oooh
He described it right there in Matthew 7
There's been signs all along
But you want to be sure
'Cause the road sometimes swerves as you're reading
In the free Bible book
There in John 3:16
Come find how all of our faults are forgiven

//True words to ponder//

There's a freeway of death
And it hooks to the left
And the steering and driving is easy
It is not quite as it seems
Smell that smoke, feel the heat
Hear the voice of the Lord who stands knocking

Oooh, takes you under
Oooh, really takes you under

And it's His Word that's true
If we all follow through
Then the Bible will lead us to Jesus
And the true way will dawn
On those who've read John
Chapter 14 verse 6 and thereafter
Does anybody remember Jesus?

Oooh
Oh-oooh (x 6)

If there's a possible dead-end road
Don't be a lost man
It's best to think before you take it

Yes, there are two paths you can go by
For there's a wrong one
But there's still time to change the road you're on

Oooh
Can I take you up there?
Oooh-ho-oh-oh-oh

Your head it's somewhere and it won't go
The place you wanna go
If Christ has called, you avoid Him
The way to Heaven's very narrow
And as you know
It's very wide on the way to Hell

(Break)

Where will you wind up down the road?
A shadowland or street of gold?
There is a way that we all know
He shines bright light on words that show
How every man still turns to dust
But if you let Him in your heart
The Truth will come to you at last
And it'll warn us where to go, yeah
And He is God He ought to know

And He called it the narrow way to Heaven
