Two police officers killed today, in the independence  
minor  
Republic of Kroatia. Clinches between Serbs and Kroats  
are  
Continuing, despite the cease-fire ordered by  
Jugoslavian  
Leaders las . But the two sides did exchange twenty  
Prisoners today, that's the second trade in two days.

Come, go, step inside, bring me news from the dying  
world.  
You thinkers and killers, you're spreading your  
decease among us.  
Wants back, color rack, all you see is the TV set,  
While people around you are dying like flies.

Non-Stop Violence. They beat us, cascades  
Of non-believers dying in the sand.  
Feeding us with violence, we face of all of them.  
Believe me and catch me if you can.

Believe me and catch me if you can.

Come, go, step inside, bring me news from the dying  
world.  
You thinkers and killers, you're speading your decease  
among us.  
Wild noice, injuring your ears with money talks,  
What you need is silence and a positive life.

Non-Stop Violence

So I took shelter in tomorrow  
Tomorrow will bring a brand new day  
Think I'll make it right tomorrow,  
Think I need more sleep today.  
Lets make peace again tomorrow,  
I need a will to stay away.  
I guess I'll always hate tomorrow  
Until it's far away, away.
