Read Ephesians, Read Ephesians

Talk about things I know God prepares  
Spiritual things that your body wears  
Call 'em by name, but I gotta make clear  
You can't stand baby if you leave 'em in here

One piece of the armor is a plate of righteousness  
It's a get-up that goes up on top of your chest  
And your Gospel shoes, these are real good tires  
And the belt of truth to get your pants up higher

Read Ephesians, Read Ephesians

You put on the salvation helmet to start  
But the devil overtook you with his little cruel darts

Your shield of faith keeps them from goin' inside  
They can't touch you if you have it on tight

Stand then firm 'cause when Satan attacks  
I think you better pray, did ya think about that  
The Word of God's somethin' that's a sword on your  
hand  
And He wants you to know it and to read and  
understand

Read Ephesians, Read Ephesians

Ephesians 6:11  
Put on the full armor of God so that you can take your  
stand against the  
Devil's schemes.
