Sufferin' Just Finished, parody of "Suffragette City" by David Bowie

Haman, oh, he was the one, you know
Haman, who wouldn't let us alone-- i got to
Say, man, that guy would spit in my face
That fellow was sick; he could've wiped out our race.
Haman, was cruel and insane-- Haman, he was kind of vain

Haman, conceived a terrible plan
But Esther was the queen and then she-- avenged it
So hang it on Haman cause his plan was surely wicked
I'm glad our sufferin' just finished.

That mean, grumpy man was an ancient kind of bigot,
But now our sufferin' just finished.

'Cause genocide-- is not right.

Haman-- oh when he saw Mordecai, he say

Hey, man, I can't wait 'till he dies; OK

Haman--said, "Jews, they won't last here"

He thought that Jews were scum, but Esther's one, so he's done.

Oh, so hang it on Haman cause his plan was surely wicked

I'm glad our sufferin' just finished.

The queen took a stand

'Cause this ain't no time for chickens.

I'm glad she's lovely and pretty-- and Mordecai-- is all right.

Oh, Esther!

So hang it on Haman 'cause his plan was surely wicked
I'm glad our sufferin' just finished.

That mean, grumpy man was an ancient kind of bigot
I'm glad our sufferin' just finished.

Yeah the king caught Haman and his end was sorta sickenin'

He had to punish him quickly.

The queen took a stand

'Cause this ain't no time for chickens

I'm glad she's lovely and pretty- 'Cause genocide-- Oh, is not right.

Our sufferin' just finished, Our sufferin' just finished, ...
Don't forget! Ahh... Wham bam hang Haman!

Our sufferin' just finished, Our sufferin' just finished, ...

Don't forget!
