I never knew  
I never knew that Heaven isn't just for Jews  
That everyone to choose His Way could go there, too  
I learned a lot when I was dreamin' on the roof  
And then a menagerie  
Was coming down from Heaven right on top of me  
With every kind of critter I would never eat  
He spoke unto me, and it's pretty clear, and

Every animal's hoverin'  
Over my head, over my head  
(I) ain't second-guessing God this time  
He's always right, He's always right

It's prearranged  
And things keep gettin' stranger -- like a different age  
To save the heathen Greeks is another stage  
The Lord implemented so we all can get to God  
But that's just like God  
To find some other men who were distraught  
As I view the animals on the tablecloth  
Hanging above  
And they can't be called unclean, and

Every animal's hoverin'  
Over my head, over my head  
(I) ain't second-guessing God this time  
He's always right, He's always right  
REPEAT

And suddenly I recall a word from the past  
The Great Commission part He told last  
I knew He knew and it's come to pass  
And now a sound  
A few guys on the grounds from a Roman's house  
They say God said He wants him to bring me 'round  
So I guess I'll go down to them  
(The) Lord said to help them

Every animal's hoverin'  
Over my head, over my head  
(I) ain't second-guessing God this time

He's always right, He's always right

Everyone knows -- He's always right  
Every animal's over my head  
Hoverin' over my head  
Up over my  
CHORUS

Acts 10:11-12

He saw heaven opened and something like a large sheet being let down to earth by it's four corners. It contained all kinds of four-footed animals, as well as reptiles of the earth and birds of the air.
