I solve math problems at my senior high  
We got a hundred things we gotta read and write  
There ain't no gangs like Grease and no cool cars  
It's hard to be real wild, but we can teach you the art  
It's in the Word

They think our Lord is just a ball and chain  
Why don't they understand it's just their pride and  
shame  
They live for science, only He is real  
Just got to find right now the God that Jesus revealed  
Jesus' the Word

Jesus' the Word, He's the Word, as you've heard  
We've got proof, it's got Spirit  
He is the life, He's the Way, He's the Logos  
Now these things we base on experience

He came a-blessin' and He chose to stay  
Condemned at Calvary, rose on that blessed third day  
There is a choice that we can make if we're smart  
We start believing now and He can redo our hearts  
Receive the Word

Jesus' the Word, yes the Word, as you've heard  
It's not rules, it's not teasing  
Jesus the Christ is the face of the most high  
Now this is the day to receive Him

They say it mocks evolution  
That's just a subtle envious excuse  
What are we doin' here?

We make confession and he shows us the way  
No technicalities, no long-term debts to pay  
There is a plan so we get saved from above  
Let's start to read it now it's in Ephesians, you all  
Faith is the Word

Faith is a word that's conferred undeserving  
It's not you, it's not me then  
Grace is divine, it's through faith, there's no boastin'

Now read in 2:8 in Ephesians

So search the Word, yes the Word, that you've heard  
It's got truth, it's God's teaching  
This is the time, it's the place, it's the moment  
Now Jesus is waiting, receive Him

Jesus' the Word  
Yes the Word (x 9)

Ephesians 2:8 For it is by grace you have been saved,  
through faith - and this not from yourselves, it is the  
gift of God
