Sorry that I'm comin' here so late  
I'm tryin' to watch my flock right now  
I heard a baby cryin' -- is that Him in the hay?  
I'll try to whisper but my lambs bleat so loud  
Well, my herd's in the next room  
Most times I'm with sheep, what's new?  
I guess we never really move alone  
It's really good to be here, Lord  
Seeing Your face -- it sounds so weird  
But I got a tip from an angel  
He knew those words would take me here  
And I never thought I'd be surprised  
But, Lord, You made a trough be Your cradle  
In the midst of a stable  
There's not a bunch in common between You and I  
And yet You shepherd sheep, too  
You gotta know your flock or soon they wander out of  
sight  
No, I don't think sheep have a clue  
Well, my herd's in the next room  
Sometimes I wish sheep were mute  
I guess we'd better get a move on  
It's really good to be here Lord  
Glad that I came -- it sounds so weird  
But I got a tip from an angel  
He knew those words would take me here  
And I never thought I'd see the Christ  
But Lord, You came -- it's not some big fable  
In the midst of a stable  
It's really good to be here, Lord  
Glad that I came -- it sounds so weird  
But I got a tip from an angel  
He knew those words would take me here  
And I never thought I'd be surprised  
But Lord You made a trough be Your cradle  
In the midst of a stable  
And I never thought I'd see, You, Christ  
But Lord, You came -- it's not some big fable  
In the midst of a stable  
Sorry that I'm comin' here so late

But the angel said to them, "Do not be afraid. I bring you good news of great joy that will be for all the people.
