Take me up to the very nice city
Where the bible starts with a new beginning
Take (In) me (Revelation) home (21)

Take me up to the very nice city
Where there's no more pain and there's no more
sinning
Take (In) me (Revelation) home (21)

Hey, uh, something just occurred to me

A brand new heaven and new earth that's what I see,
man
(?) Revelations start to read, b-baby
There is a place in there that I wanna be
Be there at the end of time
Everything is gonna be fine

All the Christians who have ever been, well
They're livin' in the city of New Jerusalem
You know they gotta have a lotta room for them
750 miles wide
And 1500 miles high

Take me up to the very nice city
Where the bible starts with a new beginning
Take me home

Take me up to the very nice city
Where there's no more pain and there's no more
sinning
Take me home

Verse 21 and 22 in Revelations
They got the (??) here in the nation
They got a river in the middle of the street
You never have to worry 'bout the (?) seed
The cover of God is complete

Take me up to the very nice city
Where the bible starts with a new beginning

Take me home

Take me up to the very nice city
Where there's no more pain and there's no more
sinning
In Revelation 21
Come on with me (x 4)

After the Devil's been thrown in the fire now
We can all commence ourselves to praisin' God we'll
Be livin' in a city comin' down from the sky
Havin' a wonderful time
What, are we fine? Huh!
Haven't even entered your mind

Take me up to the very nice city
Where the bible starts with a new beginning
Take me home

Take me up to the very nice city
Where there's no more pain and there's no more
sinning
In Revelation 21

(Repeat)

I wanna go on those streets of gold
Oh, won't you please take me home
I wanna be with the Trinity
Oh, Jesus please take me home

I wanna go on those streets of gold
Oh, won't you please take me home
I wanna be (?)
Eternity take me home

I wanna go on those streets of gold
Oh, won't you please take me home

Take me up to the very nice city
Where the bible starts with a new beginning
In Revelation 21

I wanna be with the Trinity
Oh, Jesus please take me home

I wanna be, I wanna be
Oh, won't you please take me home
