I went and wrote some parodies
Karl tried a little rock, put me on a stage
Keith sleps comedy, we threw him in the act
Bill adds some more soul and has a knack for chat
We're all four guys with many dreams
But God can help you focus these things
Music lyrics we rewrite
As long as we can take a tune and show the light
We're in a parody band
We're here to share with the fans
We've got a two-part style
We'll tell you part's Wierd Al
The other part's Billy Graham
]Four Aquafinas and soda pop
We're waiting for the van to return from the shop
Philidelphia late at night it's battery died
The hotel we slept in it was highly priced
Now seeing as I'm waiting, I have a plan
Would you like to meet the boys in the band
Would you like to meet the boysin the band
I'm J.- Karl's the dude with the guitar on
And we've got Keith on the bass and Bill on drums
We're in a parody band
We're in a terrible van
We're comin' to your town
And if your cr breaks down
We're good Samaritans, man
We're in a parody band
The Bible's there in your hand
You're thumbnin' through your now
We'll help you start it out
With a one-year reading plan
We're in a parody band
We're into prayer and defense
We're from a two-sport town
Three if the Pirates count
It's just so rare that we win
We're in a parody band
We're at a charity dance
We're only two dorrs down
We know it's Shark Week now
But please come there if you can

We're in a parody band... whoo!
We're in Bob Raherty's band... whoo!
Will tihs hilarity end... whoo!
