Young as you are, as you were, as we want you to be
Kurt Cobain lives again in our own memories
Tape rewinds, there you are, the voice is yours and the
face
Stays preserved evermore when you're on
MTV, yeah (x 4)

Young as you are, can't you see, that that's no way to
be?
Kurt is dead, that's the end, and there's no
Remedy, yeah (x 4)

It's a chance that he won't have again
No he won't have again (x 2)

Please, yeah
Let 'im be, yeah (x 3)

Young as he was, 33, Jesus died for you and me
Let him in, as a friend, and you know where you'll
Be, yeah
Heavenly, yeah
Eternity, yeah
Heavenly, yeah

And God's word says you'll be born again
Yeah, you'll be born again (x 4)

Heavenly, yeah
Eternity, yeah
