Here you go, way too fast
Don't slow down your gonna crash
You should watch what you say here
Don't look out, gonna break your neck

So shut, shut your mouth
'Cuz I'm not listening anyhow
I've had enough, enough of you
Enough to last a life time through

So what do you want of me?
I ainit got no words of sympathy
And if I go around with you
You know that I get messed up to
With you...

Na na na na na na na na na woah
Na na na na na na na na na woah

Here you go way too fast
Don't slow down, your gonna crash
You don't know whats been going down
You've been running all over town

So shut, shut your mouth
'Cuz i'm not listening anyhow
I've had enough, enough of you
Enough to last a life time through

So wot do you want of me
I ain't got no cure for misery
And if I go around with you
You know that I get messed up to
With you...
With you...
With you...

Na na na na na na na na na woah
(Don't slow down, your gonna crash)
Na na na na na na na na na woah
(Don't slow down, your gonna crash)

Na na na na na na na na na na woah
(Don't slow down, your gonna crash)
Na na na na na na na na na na woah
(Don't slow down, your gonna crash)
Na na na na na na na na na na woah
(Don't slow down, your gonna crash)

repeat 'til end
