Jump 'em and funk 'em  
Pump 'em and funk 'em  
(We can funk)

### CHORUS:

I'm testin' positive 4 the funk  
I'll gladly pee in anybody's cup  
And when your cup overflow  
I'm testin' positive and I'll pee some mo'

I could tell U stories till U get tired  
I could play with your mind  
But U'd prob'ly say that I was a liar  
So I won't waste your time  
I'm scared cuz though we just met  
There's this energy between us  
Let's just go somewhere  
We can funk (Oh)

### CHORUS

(We can funk) {x2}  
Pump 'em and funk 'em  
Jump 'em and funk 'em  
Pump 'em and funk 'em {x2}  
Every time I could  
I would compliment U on the things, the things that U  
be  
Honey doll, we should make the real noise  
Just U and me

I could tell U things 2 get U excited  
Things U never heard  
U know the Kama Sutra?  
I could rewrite it with half as many words  
But I'm scared cuz if I don't kiss ya  
I'm gonna go mad, baby  
Take off my clothes  
We can funk (Oh)

I'm testin' positive 4 the funk

I'll gladly pee in anybody's cup  
And when your cup overflow  
(I'm testin' positive and I'll pee some mo')

(Oh, yeah, yeah)  
(We can funk) {x2}  
(Uh-oh, uh-oh) {repeat in BG}

Wait a minute  
Let me turn on some lights (We can funk)  
Yeah, come here  
U can blow the candle off, baby  
U can turn the candle on  
Which ever one U choose is alright  
Cuz we're gonna do it all night long (Sex)  
Sex between 2 people is alright  
If all the love in the world is what they got  
As long as they're not tryin' 2 hurt nobody  
Just as long as it's hot  
Good Lord, baby  
I wanna make love 2 U  
2 times, maybe 3  
Yeah, and if U want 2 go 4 or 5  
Baby, that's alright with me  
Let me tell U now  
Said I will be your little baby, yeah  
I can be your big strong man  
I can be your girl or boy, I can be your toy  
Alright, let's dance! It's up 2 U!  
Can funk me, baby  
I'll funk U  
We can funk one another  
Whatever U want 2 do!  
U got an electric ass, baby!  
U got electric thighs, baby!  
I can't wait no longer, child!  
It's gettin' stronger, baby!  
Open up your eyes!  
See this gold chain around my waist?  
Huh, I wanna give it 2 U, yeah  
People tell me I got no taste  
Then blow the candle out  
Let's see if it's true  
We be funk' over here and over there ain't shit {x2}
