Oh, oh

In a deep sleep I fell  
And the music starts 2 swell  
One of my ribs He took and it shall be  
Bone of my bones (Bone of my bones)  
And God created woman

And we were naked and did not care  
There's a time 2 take and a time 2 share  
2 in love all around and all aware  
Flesh of my flesh (Flesh of my flesh)  
And God created woman

Temptation sweet and so much (Sweet and so much)  
Surely die if neither one of us shall ye touch (Shall ye touch)  
Then again we could die from the rush (Rush)  
Heart of my heart (Heart of my heart)  
And God created woman (Woman)

Oh (oh), woman (woman)  
My, my, myâ€¦ woman

In my darkest hour I find  
Many serpents who have lied (Lies)  
Given half the chance still I'd run 2 your side (Run 2 your side)  
Love of my love (Love of my love)  
God created woman (Woman)

And if I never see U again  
It's alright, 4 I am guilty of no sin  
They can have U but I'll have your love in the end  
Soul of my soul (Soul of my soul)  
God created woman {x3} (Woman {repeat})

Flesh of my flesh  
Soul (Woman)  
Soul (God created, God created woman)  
God created, God created woman {x2}

Yeah, God created woman
