Why are U so arrogant?

(Here he is)

Yeah (Hereâ€¦here he is)

Ha, ha, ha (Hereâ€¦hereâ€¦here he is)

What make a man wanna rule the world?

(A double A double arrogance!) (U got it)

Make him man enough 2 say he 50-50 girl

(A double A double arrogance!) (U got it)

What make a man wanna curse and swear?

(A double A double arrogance!) (U got it)

Then blame it on heaven cuz he already there

Pimp rag, tootsie pop and a cane!

What make a man wanna play guitar?

(A double A double arrogance!) (U got it)

Same thing that make him wanna be a star

(A double A double arrogance!) (U got it)

What make him wanna see his name in lights?

(A double A double arrogance!) (U got it)

It was the same thing that made Eve take the first bite

Pimp rag, tootsie pop and a cane!

{Crowd noise in BG}

(There he is - get him!)

(Don't make me get up)

Like a flame she came and I was no longer cold

That's a little shady

4 this lady was only 16 years old
